**CME: Continuing Medical Education**  
Credits are awarded by the Nordrheinische Akademie für Ärztliche Fort- und Weiterbildung der Ärztekammer Nordrhein (North-Rhine Academy for Medical Training and Continuing Education of the North-Rhine Medical Association) and are recognised by all medical associations.

## WEDNESDAY 12 NOVEMBER 2014 INFECTION AND INFLAMMATION

09.00 am – 10.30 am	11.00 am – 12.00 noon	01.30 pm – 03.00 pm	03.30 pm – 05.00 pm	05.15 pm – 06.15 pm
<b>Modern Ultrasound I:</b> 2 CME Abdominal Ultrasound Room 111	<b>Modern Ultrasound I:</b> 1 CME Endoscopic Ultrasound Room 111	<b>Modern Ultrasound I:</b> 2 CME Heart and Vasculature Room 111	 <b>Modern Ultrasound I:</b> 2 CME Pediatrics, head and neck Room 111	<b>Modern Ultrasound I:</b> 1 CME Thorax Room 111
<b>Nutritional Medicine:</b> 2 CME Nutrition in Gastroenterology Room 7	<b>Nutritional Medicine:</b> 1 CME Nutrition in the elderly Room 7	<b>Nutritional Medicine:</b> 2 CME Modern nutrition treatment Room 7	<b>Gastroenterology:</b> 2 CME Irritable bowel syndrome – paradigm shift in diagnostics and treatment Room 16	
<b>Infectiology:</b> 2 CME Vaccinations – where are they heading to? Room 15	<b>Softopening</b> <b>MEDICA EDUCATION CONFERENCE 2014</b> Foyer in front of Room 4	<b>Endocrinology:</b> 2 CME Thyroid update Room 15	<b>Epidemiology:</b> 2 CME Primary prevention and screening in oncology Room 17	
<b>Neurology:</b> 2 CME Technology meets vertigo Room 16		<b>Intensive Medicine:</b> 2 CME Sepsis – do's and don'ts Room 16	<b>Pneumology:</b> 2 CME Endurance examinations in pneumology Room 6	
<b>Gastroenterology:</b> 2 CME Chronic inflammatory bowel diseases Room 17		 <b>Pneumology:</b> 2 CME Asthma and COPD 2015 Room 110	<b>Traumatology:</b> 2 CME Minimal invasive hip joint surgery Room 8	
<b>Infectiology:</b> 2 CME Multi-resistant pathogens – theory and reality Room 112		<b>Rheumatology:</b> 2 CME From rheumatics symptoms to (early) diagnosis Room 19	<b>Gynaecology:</b> 2 CME Innovative gynaecology Room 110	
<b>Traumatology:</b> 2 CME Medical report Room 6		<b>Angiology:</b> 2 CME Aortic aneurysm Room 18	<b>Cardiology/Nephrology:</b> 2 CME Therapy-refractory hypertension Room 112	
<b>Rheumatology:</b> 2 CME Collagenosis – from research to the hospital Room 18		<b>Infectiology:</b> 2 CME STI – sexually transmitted infections Room 6	<b>Infectiology:</b> 2 CME Complicated thoracic infections Room 18	
<b>Intensive Medicine:</b> 2 CME From bench to bedside – has basic research done anything for clinical application? Room 8		<b>Gastroenterology:</b> 2 CME The intestinal epithelium as a barrier front Room 8	<b>Occupation and university policy:</b> 2 CME How can the requirements of the university clinics regarding high-end medicine be maintained? Room 19	
<b>Intensive Medicine:</b> 2 CME Ventilator therapy Room 19		<b>Occupation and university policy:</b> 2 CME Young talent in medicine – calling, profession or job? Room 112	<b>Infectiology:</b> 2 CME How much infection diagnostics? Algorithm vs. microbiology Room 15	
<b>Vocational/higher education policy:</b> 2 CME Assessment of hospital stays by the MDK Room 110				

BREAK 10.30 am – 11.00 am

BREAK 12.00 noon – 01.30 pm

BREAK 03.00 pm – 03.30 pm

BREAK 05.00 – 05.15 pm

## THURSDAY 13 NOVEMBER 2014 TELEMEDICINE AND ROBOTICS

	09.00 am – 10.30 am	11.00 am – 12.00 noon	01.30 pm – 03.00 pm	03.30 pm – 05.00 pm	05.15 pm – 06.15 pm
	<b>Modern Ultrasound II: Elastography</b> 2 CME Room 111	<b>Modern Ultrasound II: Fusion imaging</b> 1 CME Room 111	<b>Modern Ultrasound II: Interventions</b> 2 CME Room 111	<b>Modern Ultrasound II*: Technical innovations</b> 2 CME Room 111	<b>Modern Sonography II*: Hands on</b> 2 CME Room 111
Courses	<b>Radiology: Pulmonary imaging</b> 2 CME Room 8	<b>Radiology: Pulmonary imaging</b> 1 CME Room 8	<b>Radiology: Abdominal imaging</b> 2 CME Room 8	<b>Radiology: Vascular imaging and intervention</b> 2 CME Room 8	<p>* Participating companies of the industry symposium:</p> <ul style="list-style-type: none"> <li>– Zonare Medical Systems GmbH</li> <li>– Esaote Biomedica Deutschland GmbH</li> <li>– Philips GmbH Healthcare</li> <li>– Hitachi Medical Systems GmbH</li> <li>– Siemens Deutschland Healthcare</li> </ul>
Clinical symposium	<b>Geriatrics: Malnutrition in older people</b> 2 CME Room 15	<b>Hepatology: Steatosis of the liver – NAFLD</b> 1 CME Room 16	<b>Cardiology: Cardiac failure – interdisciplinary challenge at the Deutsches Zentrum für Herzinsuffizienz</b> 2 CME Room 112	<b>Geriatrics: Diabetes mellitus in old age – specific challenges</b> 2 CME Room 6	
Seminar	<b>Pneumology: Bronchopulmonary infections in clinics and practices</b> 2 CME Room 112	<b>Medicine Technology: Modern surgical robotics based on the DLR-miro-systems</b> 1 CME Room 19	<b>Nephrology: Renal problems – recognise and treat them early enough</b> 2 CME Room 15	<b>Psychiatry: Mental disorders and burn-out</b> 2 CME Room 16	
Translational symposium	<b>Medical Technology: Telemedicine and robotics in practice</b> 2 CME Room 16	<b>Oncology: Pancreatic cancer</b> 1 CME Room 17	<b>Gynaecology: Fertility protection from an oncological and non-oncological perspective</b> 2 CME Room 16	<b>Paediatrics: Emergency medicine in childhood – difficult airway management</b> 2 CME Room 110	
Vocational/higher education policy symposium	<b>Pharmacology: Individualised pharmacotherapy outside of oncology – where are we today?</b> 2 CME Room 17	<b>Neurology: Modern diagnostics and interventional treatment of strokes</b> 1 CME Room 18	<b>Dermatology: Novel developments in dermatology</b> 2 CME Room 7	<b>Cardiology: Coronary heart disease – always only catheters?</b> 2 CME Room 7	
Interactive case discussions	<b>Endocrinology: Diabetes complications</b> 2 CME Room 18		<b>Intensive Medicine: Imaging in the intensive medicine care unit</b> 2 CME Room 17	<b>Cardiology/Heart surgery: Device therapy with cardiac insufficiency</b> 2 CME Room 19	
Medicine meets technology	<b>Gynaecology: News from translational research</b> 2 CME Room 6		<b>Neurology: The first epileptic seizure – how do I optimise diagnostics and therapy</b> 2 CME Room 18	<b>Endocrinology: Endocrine cases</b> 2 CME Room 17	
Discussion forum	<b>Cardiology/Heart surgery: Treatment of heart valve disease guided by catheter therapy</b> 2 CME Room 7		<b>Geriatrics: Sarkopenia and physical exercise for the elderly</b> 2 CME Room 19	<b>Dermatology: Compact allergology</b> 2 CME Room 18	
Industry symposium	<b>Anaesthesia: IT in anaesthesia and intensive medicine</b> 2 CME Room 19		<b>Endocrinology: Diabetes technology</b> 2 CME Room 6	<b>Surgery: Robotics in tumor surgery</b> 2 CME Room 15	
Plenary			<b>Radiology: From X-ray to OP robots – radiology and invasive therapy</b> 2 CME Room 110	<b>Pharmacology: Oral anticoagulants – is new really better than old?</b> 2 CME Room 112

## FRIDAY 14 NOVEMBER 2014 GASTROINTESTINAL ONCOLOGY

	09.00 am – 10.30 am	11.00 am – 12.00 noon	01.30 pm – 03.00 pm	03.30 pm – 05.00 pm	05.15 pm – 06.15 pm
	<b>Laboratory Medicine:</b> 2 CME Hygiene I Room 8	<b>Laboratory Medicine:</b> 1 CME Hygiene II Room 8	<b>Laboratory Medicine:</b> 2 CME Drug analysis Room 8	<b>Laboratory Medicine:</b> 2 CME Rational hepatitis- and HIV diagnosis Room 8	<b>Laboratory Medicine:</b> 1 CME Diagnosis of infectious diseases Room 8
Courses	<b>Endoscopy:</b> 2 CME Introduction, Colon Room 111	<b>Endoscopy:</b> 1 CME Jejunum and Ileum Room 111	<b>Endoscopy:</b> 2 CME Esophagus, stomach Room 111	<b>Endoscopy:</b> 2 CME Liver and pancreas Room 111	<b>Endoscopy:</b> 1 CME Lung Room 111
Clinical symposium	<b>Hepatology:</b> 2 CME The primary hepatocellular carcinoma (HCC) – individualised guideline-based algorithms Room 15	<b>Hepatology:</b> 1 CME Hepatitis C – epidemiology, clinics, immunology and therapy Room 16	<b>Immunfluorescence I:</b> 2 CME Techniques in antibody diagnostics, organ specific autoimmune disorders Room 110	<b>Immunfluorescence II:</b> 2 CME Rheumatic disorders, autoimmune Kidney disease Room 110	<b>Immunfluorescence III:</b> 1 CME Microscopy Room 110
Seminar	<b>Psychiatry:</b> 2 CME Biomarkers for mental disorders – clinical importance and future perspectives Room 19	<b>Telemedicine:</b> 1 CME Telemedical concepts – possibilities for outpatient and inpatient care Room 18	<b>Endocrinology:</b> 2 CME Neuroendocrine tumours (NET) Room 15	<b>Hepatology:</b> 2 CME Viral hepatitis update 2014 Room 17	
Translational symposium	<b>Gynaecology:</b> 2 CME Endometriosis – chameleon in gynaecological practice Room 16	<b>Gastroenterology:</b> 1 CME Genomics at the bedside for gastrointestinal oncology Room 19	<b>Ophthalmology:</b> 2 CME Retinoblastoma – an interdisciplinary challenge Room 18	<b>Oncology:</b> 2 CME Colorectal cancer – current situation of early diagnosis and increasing of therapy Room 112	
Vocational/higher education policy symposium	<b>Gastroenterology:</b> 2 CME Biomarker in gastroenterology – “Fact or Vision”? Room 6	<b>Surgery:</b> 1 CME Management of infected pancreatic necrosis via step-up approach Room 17	<b>Oncology:</b> 2 CME Oncology 2014 – What is new? Room 112	<b>Hepatology:</b> 2 CME Transplantation in visceral medicine Room 18	
Interactive case discussions	<b>Geriatrics:</b> 2 CME Emergency medicine for the elderly Room 17		<b>Neurology:</b> 2 CME To cope with dementia Room 6	<b>Neurology:</b> 2 CME Stroke – how do I optimise the first treatment? Room 6	
Medicine meets technology	<b>Neurology:</b> 2 CME Lost in translation Room 110		<b>Radiology:</b> 2 CME The cerebral arteries aneurysm – when and how to treat Room 16	<b>Oncology/Haematology:</b> 2 CME Personalised/individualised therapy of cancer – theory or reality? Room 19	
Discussion forum	<b>Paediatrics:</b> 2 CME Translational developments in paediatrics Room 18		<b>Geriatrics:</b> 2 CME Pain therapy in old age Room 17	<b>Haematology:</b> 2 CME Megaloblastic anaemia or leukaemia – the difficult diagnostic case in haematology Room 7	
Industry symposium	<b>Interdisciplinary:</b> 2 CME Clinical studies in the conflict between clinical necessity and compliance Room 7		<b>Geriatrics:</b> 2 CME Technical solutions for problems of the elderly Room 19	<b>Gynaecology:</b> 2 CME Mammography screening – advantages or disadvantages? Room 16	
Plenary				<b>Pneumology:</b> 2 CME Sleep disorders and their consequences Room 15	
Lectures in German/English					

CME: Continuing Medical Education Credits are awarded by the Nordrheinische Akademie für Ärztliche Fort- und Weiterbildung der Ärztekammer Nordrhein (North-Rhine Academy for Medical Training and Continuing Education of the North-Rhine Medical Association) and are recognised by all medical associations.

## SATURDAY 15 NOVEMBER 2014 INTERVENTIONAL MEDICINE

09.00 am – 10.30 am	11.00 am – 12.00 noon
<b>Diabetes</b> 2 CME Diabetes and Technology Room 111	<b>Diabetes</b> 1 CME New Technologies Room 111
<b>Angiology:</b> 2 CME Current therapy standard standards Room 15	<b>Gastroenterology:</b> 1 CME Pancreatitis – from acute to chronic Room 16
<b>Cardiology:</b> 2 CME Heart valves – from the operation to intervention Room 112	<b>Urology:</b> 1 CME Standards in diagnostics and therapy of prostate cancer Room 17
<b>Endocrinology:</b> 2 CME The pathogenesis of obesity – conservative and operative therapies Room 8	<b>Endocrinology:</b> 1 CME Obesity and cancerogenesis Room 18
<b>Nephrology:</b> 2 CME Up-to-date sleep medicine Room 6	
<b>Urology:</b> 2 CME Personalised medicine in urological oncology – what is already possible? Room 7	
 <b>Oncology:</b> 2 CME Colorectal cancer – individualisation through technology Room 17	
<b>Pneumology:</b> 2 CME Developments in bronchoscopy Room 18	

BREAK 10.30 am – 11.00 am
