MEDICA CONNECTED HEALTHCARE FORUM

Das MEDICA CONNECTED HEALTHCARE FORUM zeigt, wie sich die Connected-Health-Industrie entwickelt!

Technologie-Innovationen treiben neue Ideen und Lösungsansätze in der Medizin voran und ermöglichen so die Zukunft der vernetzten und mobilen Gesundheitsversorgung. Das vierte MEDICA CONNECTED HEALTHCARE FORUM – das Innovationsforum in Halle 15 – bietet eine Plattform für dieses Thema und zeigt die volle Bandbreite an neuen digitalen Lösungen und Produkten. Die „Hot Topics“ dieses Jahres werden in den folgenden Themenblöcken diskutiert*:

Wearable Technologies in Healthcare & Sports – Montag, 11.00 Uhr und Dienstag, 14.00 Uhr

Enabling Tech for Healthcare Devices – Montag, 14.00 Uhr

Patient-Centered IoT Solutions – Dienstag, 11.00 Uhr

Connected Health Platforms – Mittwoch, 11.00 Uhr

Medical Mobile Solutions & MEDICA App COMPETITION – Mittwoch, 14.00 Uhr

Healthcare Certification & Standards – Donnerstag, 11.00 Uhr

Disruptive Technologies in Healthcare – Donnerstag, 14.00 Uhr

Tragbare Technologien, Wearables, für Frauen, Neugeborene, wearable Roboter und intelligente Implantate, Vitalzeichenmonitoring oder VR- und AR-Anwendungen – die Bandbreite an Wearables auf dem Markt ist mittlerweile enorm. Und deren Auswirkungen auf das Wohlbefinden und die Gesundheit der Menschen. Diese Sessions sind definitiv eines der Highlights der MEDICA 2017!

Generell eröffnet das Internet der Dinge ganz neue Möglichkeiten für die Behandlung und Versorgung von Patienten. Angefangen von Exoskeletten über Connected Health Manager bis zur Nutzung der medizinischen Daten, die durch die neuen medizinischen Geräte und Lösungen generiert werden, vereinfacht und verbessert es die tägliche Arbeit von Ärzten und medizinischem Personal. Das MEDICA CONNECTED HEALTHCARE FORUM legt den Fokus auf neue Technologien und zeigt innovative Lösungen.

Die MEDICA App COMPETITION 2017

ist ein weiteres Highlight der Messe und findet am Mittwochnachmittag ab 15.00 Uhr statt. Zum sechsten Mal präsentiert die MEDICA den weltweit größten Live-Wettbewerb für die besten mobilen Lösungen im Gesundheitswesen.

NEU: Jeweils am Montag (16.00 Uhr) und Donnerstag (13.00 Uhr) zeigen junge Unternehmer und Start-ups ihre innovativen Healthcare-Lösungen und Produkte in einem kurzen Pitch auf der Bühne des MCHF!

*Die Konferenzsprache ist Englisch.

MEDICA CONNECTED HEALTHCARE FORUM

The MEDICA CONNECTED HEALTHCARE FORUM reports how the connected health industry is evolving!

Technology innovations are the drivers and enablers for new approaches that will revolutionize tomorrow's medical world. The 4th MEDICA CONNECTED HEALTHCARE FORUM – the innovation forum in hall 15 – provides a platform for the full range of new digital developments enabling connected health. This year's "hot topics" will be discussed in the following sessions:

Wearable Technologies in Healthcare & Sports –
Monday, 11 a.m. and Tuesday, 2 p.m.

Enabling Tech for Healthcare Devices –
Monday, 2 p.m.

Patient-Centered IoT Solutions –
Tuesday, 11 a.m.

Connected Health Platforms –
Wednesday, 11 a.m.

Medical Mobile Solutions & MEDICA App COMPETITION –
Wednesday, 2 p.m.

Healthcare Certification & Standards –
Thursday, 11 a.m.

Disruptive Technologies in Healthcare –
Thursday, 2 p.m.

Whether it is wearables for women, newborns, wearable robotics and smart implants, vital sign monitoring or VR and AR applications... the range of existing wearable technologies in the healthcare market is huge, and their impact on human wellbeing is immense. These sessions are definitely one of the highlights of MEDICA 2017!

In general, the Internet of Things is opening up entirely new possibilities in the treatment of patients. Starting from robotic exoskeletons to connected health managers, utilizing the medical data that is generated, connected medical devices and solutions are enhancing the daily work of healthcare professionals, as well as the patient experience itself. The sessions of MEDICA CONNECTED HEALTHCARE FORUM are focusing on the new technologies and wirelessly connected devices that are improving the processes and systems for all involved parties in the healthcare sector: Highlighting how Connected Healthcare is working.

The **MEDICA App COMPETITION 2017** is another highlight of the trade show and takes place Wednesday afternoon from 3 p.m., when for the 6th time MEDICA is presenting the world's largest live competition for the best medical mobile solution.

NEW: On Monday (4 p.m.) and Thursday (1 p.m.), young entrepreneurs and start-ups will pitch their innovative medical solutions on stage of the MCHF!

11.00 a.m. – 02.00 p.m.
