The world of medicine is meeting at MEDICA 2020

Those who would like to experience tomorrow’s healthcare market live must not miss this opportunity

The healthcare market is growing. The medical industry is making great strides towards the future. Fortunately, there is a place that allows you to move along with it. It is here that concentrated competence meets. And where you can keep up-to-date with the entire range of medical high-tech products and current know-how. MEDICA in Düsseldorf – in terms of innovation, a decisive heartbeat ahead of the rest.

At the meeting point of medicine

Be part of it, come together and use the Matchmaking tool to establish contacts beforehand that will help you to get ahead. The simultaneous combination of the world’s leading trade fair for medicine and the leading event for the supplier market makes it possible. Be it software-driven health IT, robotics, developments driven by artificial intelligence, the world of the smallest components or other innovations – MEDICA, along with COMPAMED, will again bring together what belongs together next year. Clearly structured, in bustling halls, with a focus on the future. Then, while ideas meet investors in the MEDICA START-UP PARK, the topics and trends of tomorrow are being celebrated at numerous forums, conferences and events. All at the same time and in the same place for synergy effects, which will also make MEDICA very strong in 2020.

Be part of it in Düsseldorf – the world’s largest event for the medical industry awaits you.
Commodities and consumer goods in halls 5, 6, 7.0, 7.1 and 7a

The material of tomorrow
A variety that is indispensable for medical practices, clinics and hospitals: at MEDICA 2020, you can show trade visitors, buyers and decision-makers the essential material of tomorrow. And who knows, maybe the next smart plaster is already available. Exhibitors, manufacturers and dealers benefit from a global communication, networking and market platform that promotes and facilitates business. It is perfectly organised down to the smallest detail. If needed, shared pavilions provide an easy way to participate with simple organisation and excellent terms. The whole world of consumer goods and commodities. In full halls and under one roof at MEDICA 2020 in Düsseldorf.

More information for exhibitors is available at www.medica.de/exhibitors
“MEDICA is our biggest show every year and the biggest global show and we get to meet all our customers from all over the world, so it is always a great show for us every year.”
Andrew Deckert, Global Marketing Communications Manager, Avery Dennison

Tony Allridge is at MEDICA for the first time. “I meet customers here and, of course, also try to find new ones. It is a great place to meet, so it is important to me to be here.”
Tony Allridge, Account Manager, anders, Italy

Sitka Hanusona is at MEDICA for the first time. “It is a wonderful opportunity to meet people from all over the world. I am really happy about my time here.”
Sitka Hanusona, Grade Medical, Tschechien

“We like MEDICA very much. It is really very interesting; you make a lot of contacts for the sector. We are currently introducing this to the market, and thus we wanted to get feedback on how it is received by the customers, regarding the handling, and then simply introduce it.”
Jessica Dyræsch, sales, REMONDIS Medison GmbH

“MEDICA is an excellent outlet for us because it gives us the opportunity to meet with customers that come from all parts of the world.”
Nohora Cárdenas, Director of Strategic Marketing, Scapa Healthcare

Just some of the positive exhibitor and visitor feedback
Take this opportunity to present your entire portfolio to a global audience.
