“For us, the trade fair offers an ideal platform to present our innovations in the medical sector to a wide audience”, says Kerstin Glanzer, Beurer GmbH.

“As one of the most important medical technology trade fairs, MEDICA offers us the opportunity to expand our network and make new industry-relevant contacts”, reports Dr. Jochen Rupp, Bosch Healthcare Solutions GmbH.

“We are here because we want to expand our network and grow a community of AI and robotics stakeholders”.

To further drive the transformation of healthcare through AI, HosmartAI hosted a speed dating workshop on AI & Robotics.
